*Your Growth, Our Business*

**Corporate Compliance Services**

- ✓ **Acquisory** was incorporated in 2010, by highly credentialed and experienced professionals, from PricewaterhouseCoopers, Arthur Andersen and Protiviti.
- ✓ The management team among themselves represent extensive experience in specialized services across M&A Advisory, Investment Banking, Asset Management and Operations & Risk Consulting.
- ✓ We have an appreciation for dynamics of business, operations, transactions and necessary skills to blend practical business & commercial insights with tax & regulatory knowledge to identify effective solutions to all business problems.
- ✓ We partner with our clients through the entire business continuum from identification of the problem, to solution, to implementation.

Acquisory fills a unique and valuable position in the market, as depicted below. We bring a unique blend of knowledge and experience to the table which combine the focus, dedication and independence of a boutique firm, with the methodologies & deep skill-sets of the Big 4.

Our Compliance and Legal services are the **solution** to support our start ups, private equity, Banks / NBFC clients in meeting their objectives of **maximizing returns and ensuring compliances**. Our services have been designed to address the challenges being faced by investors in **managing the operational, strategic and financial** aspects of their investee companies, as they are not able to get the right management information in time and remain worried about fraud, misappropriation or misconduct in their investee companies.

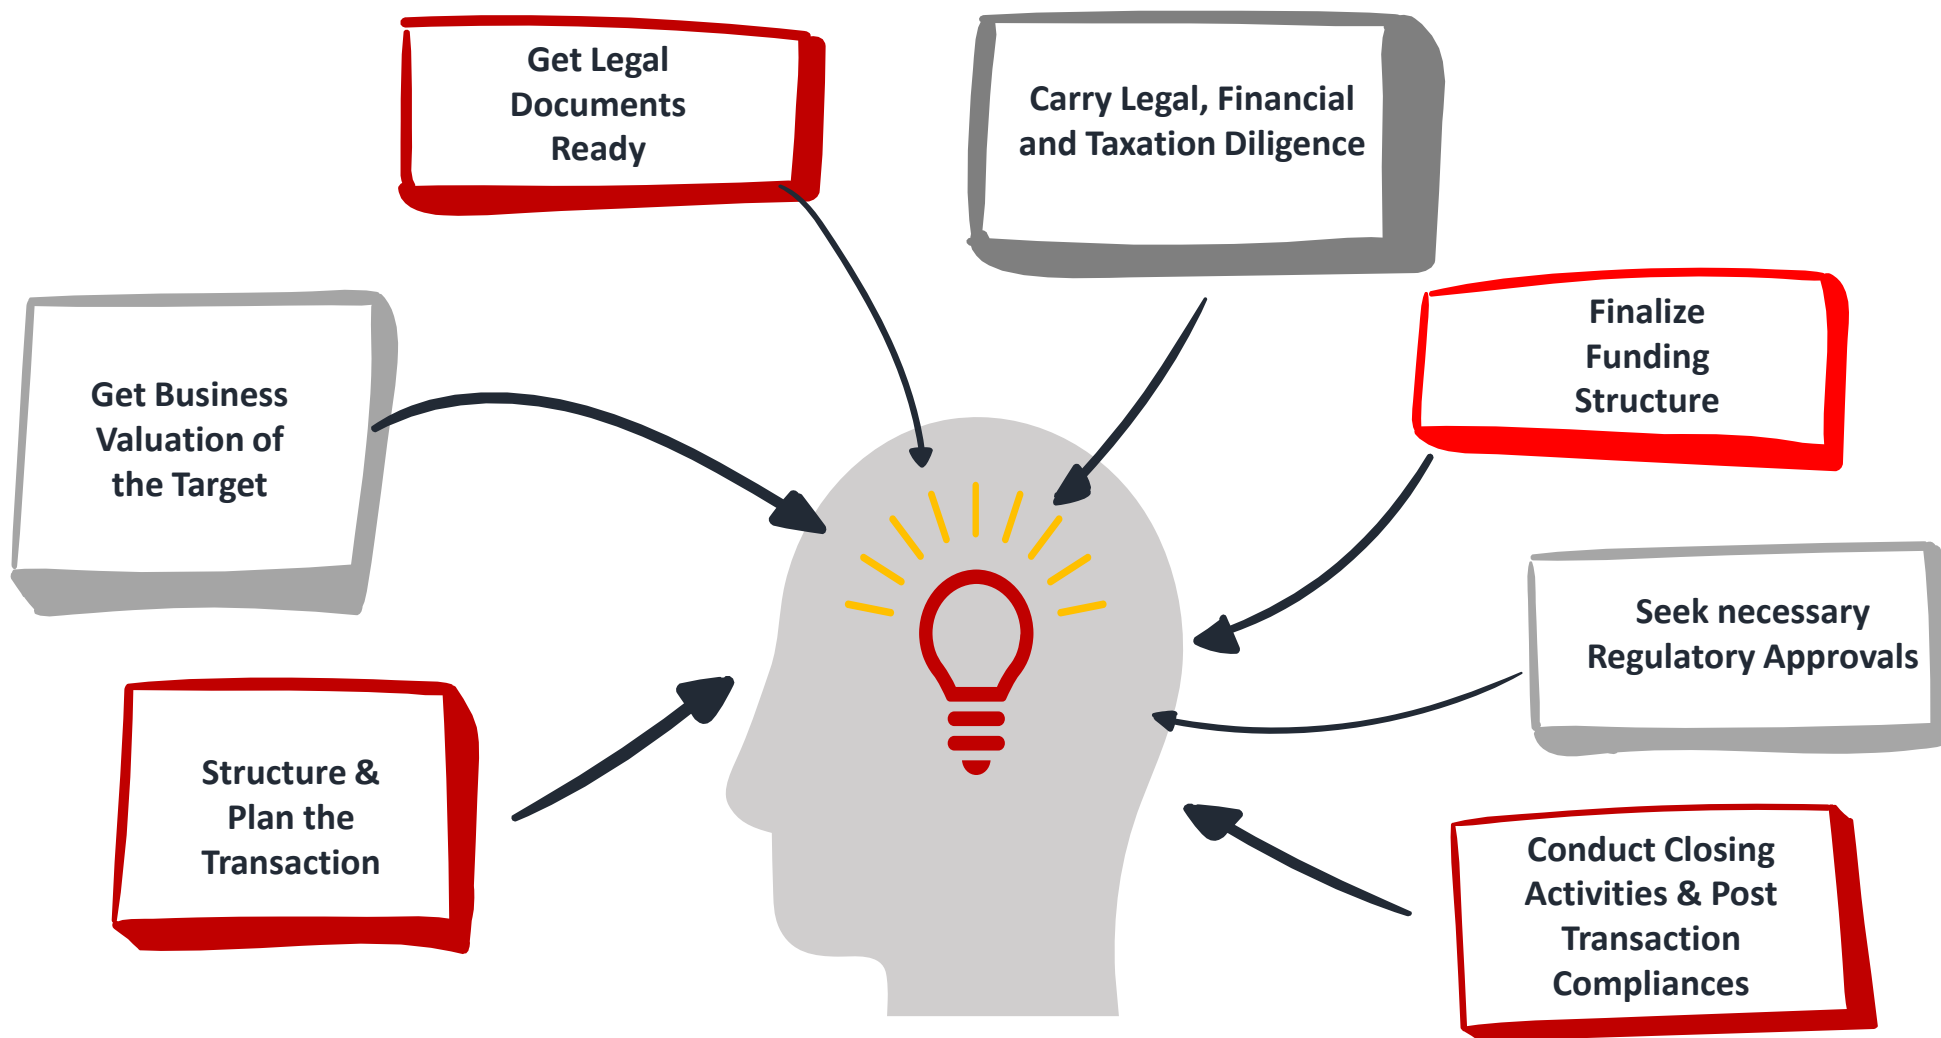

Smart investors know that it is prudent if investments are followed up with a continuous monitoring of key business risks. **Acquisory becomes your eyes and ears on the ground** and helps you manage such risk factors by ensuring necessary compliance checks and balances.

### Our Process

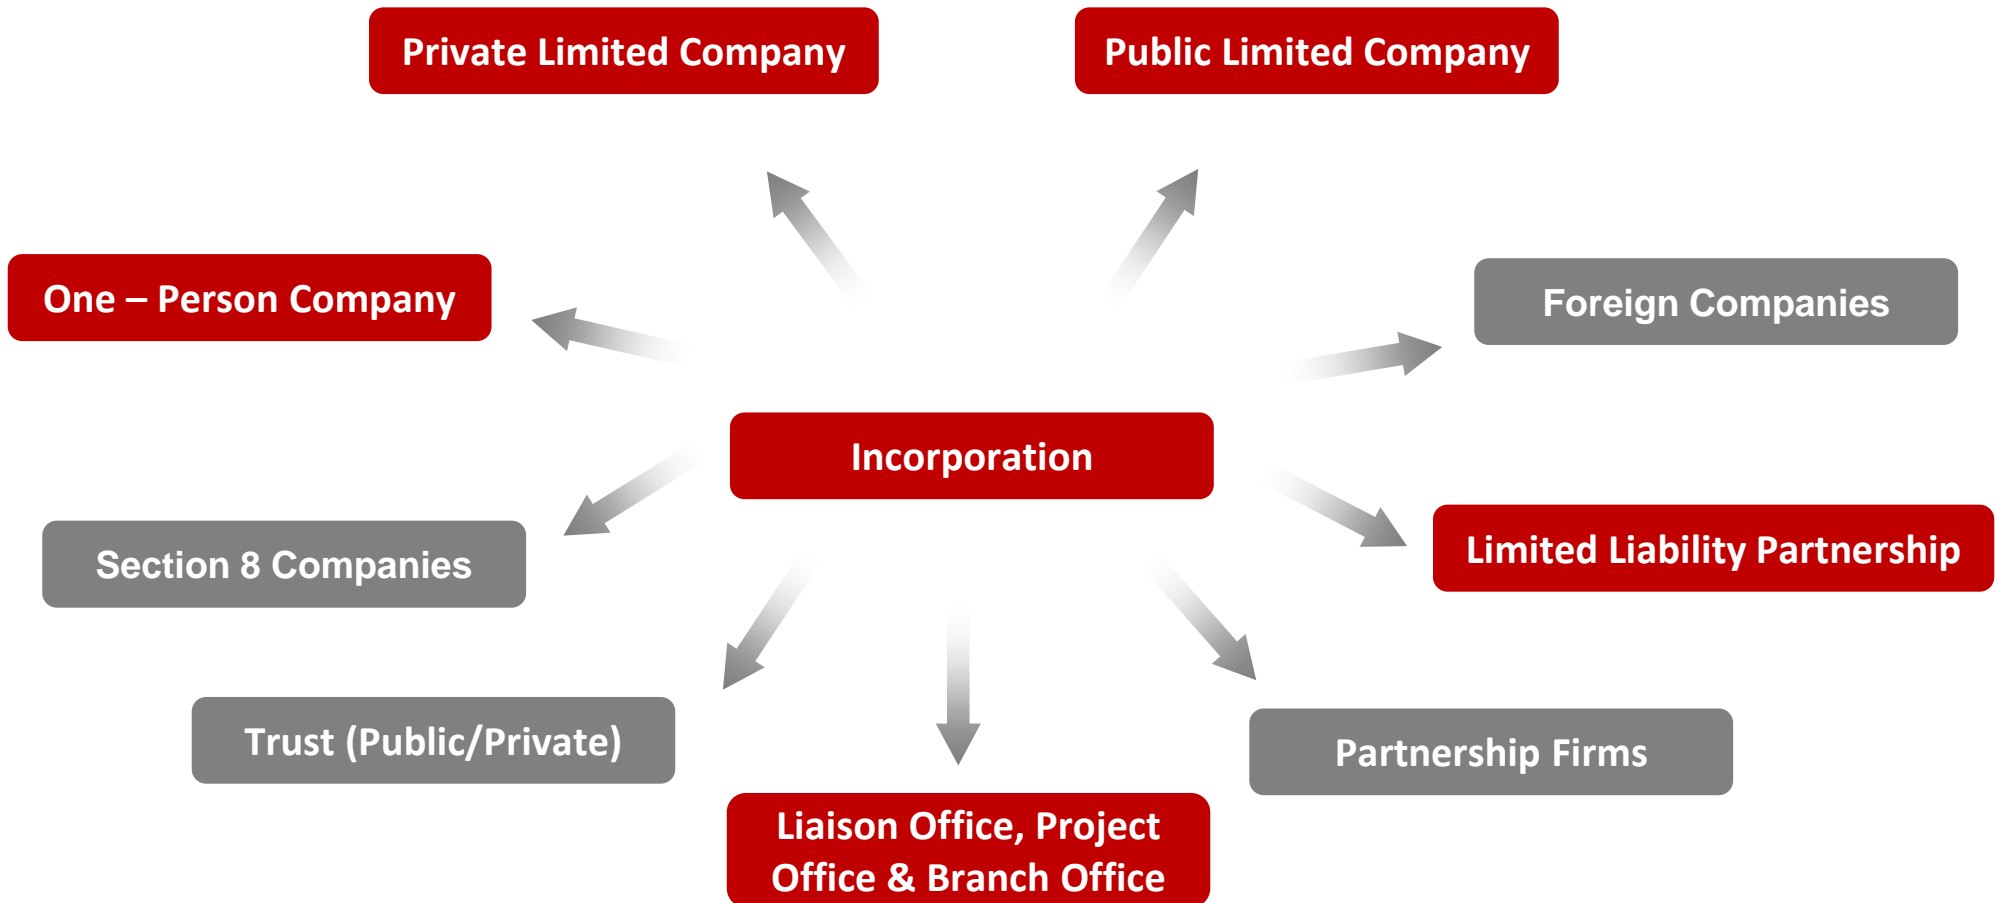

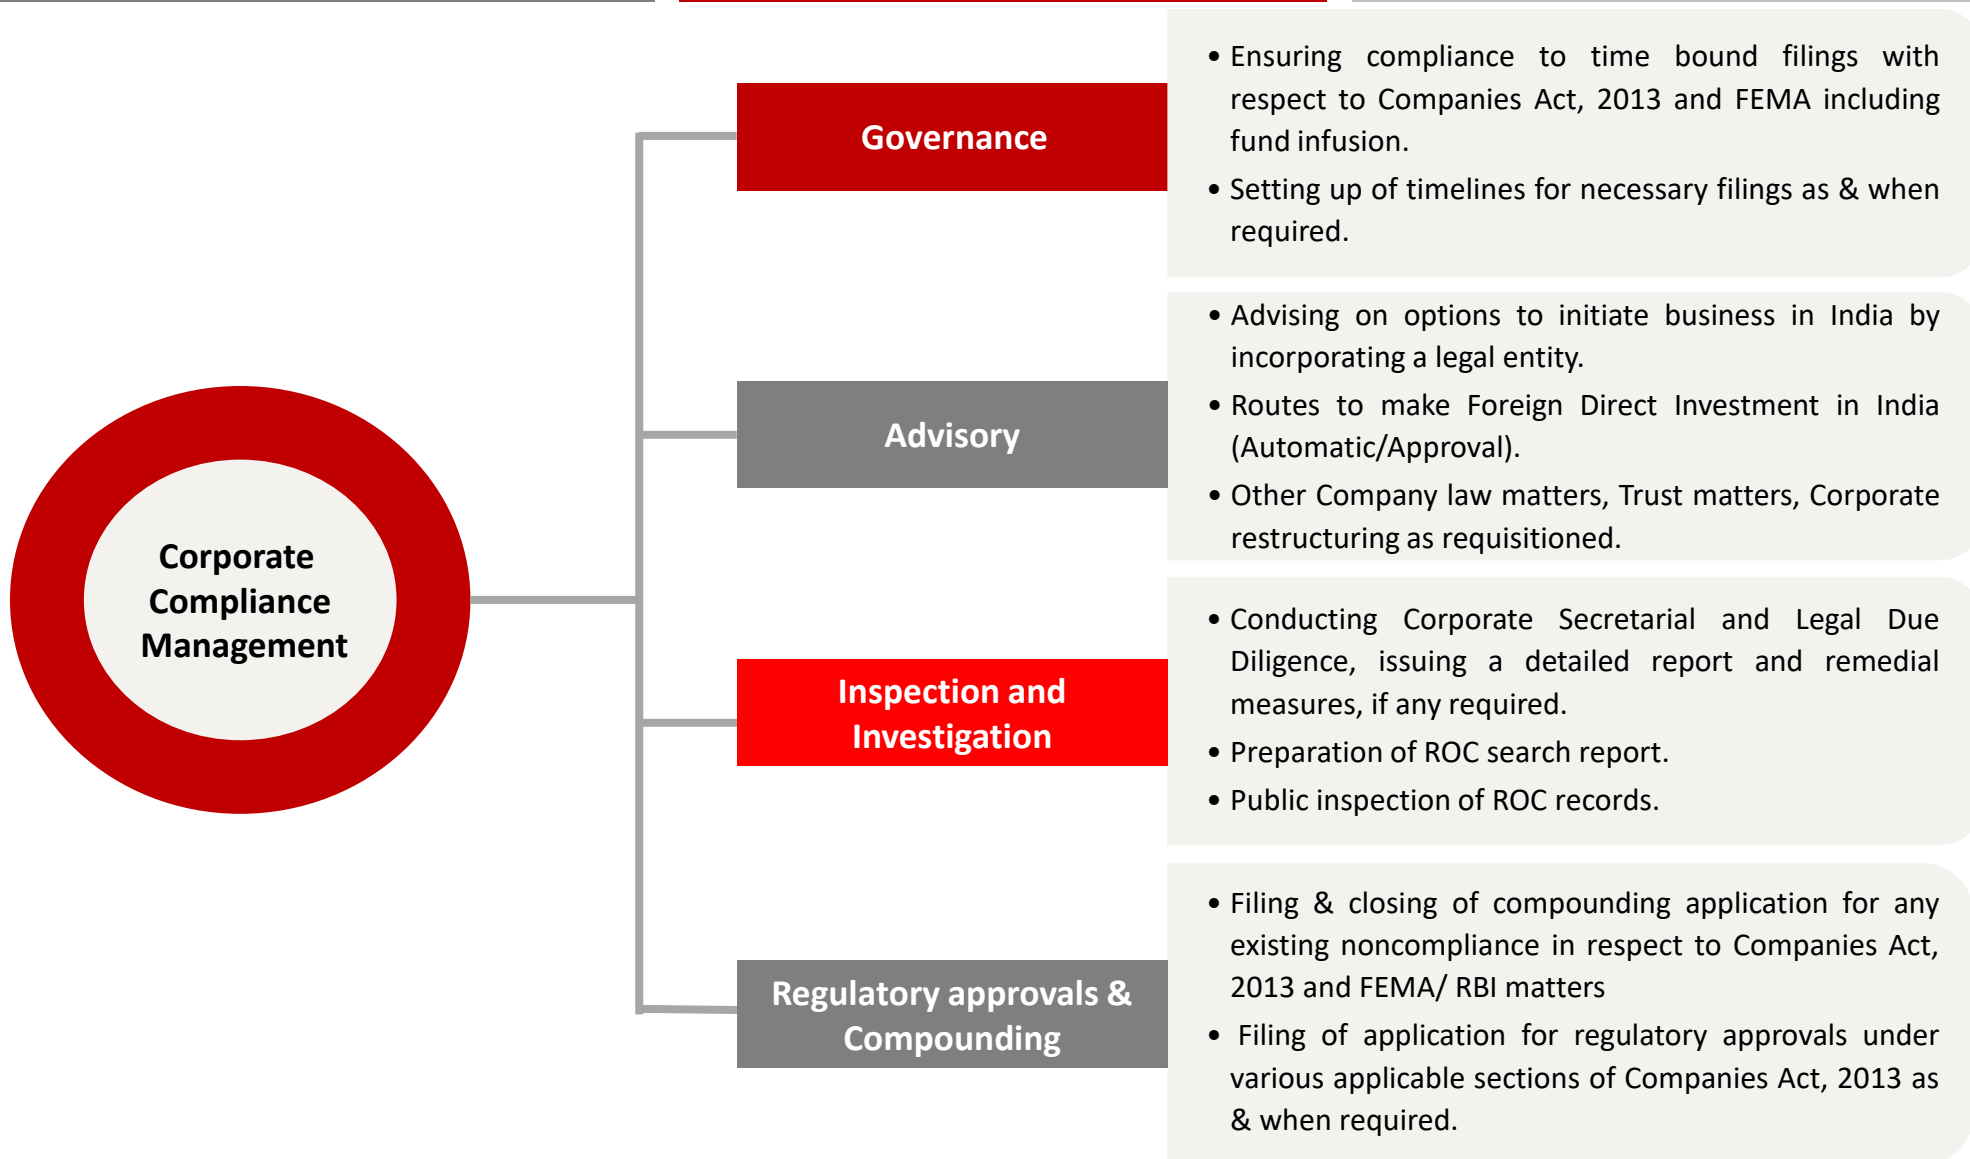

### Portfolio Management

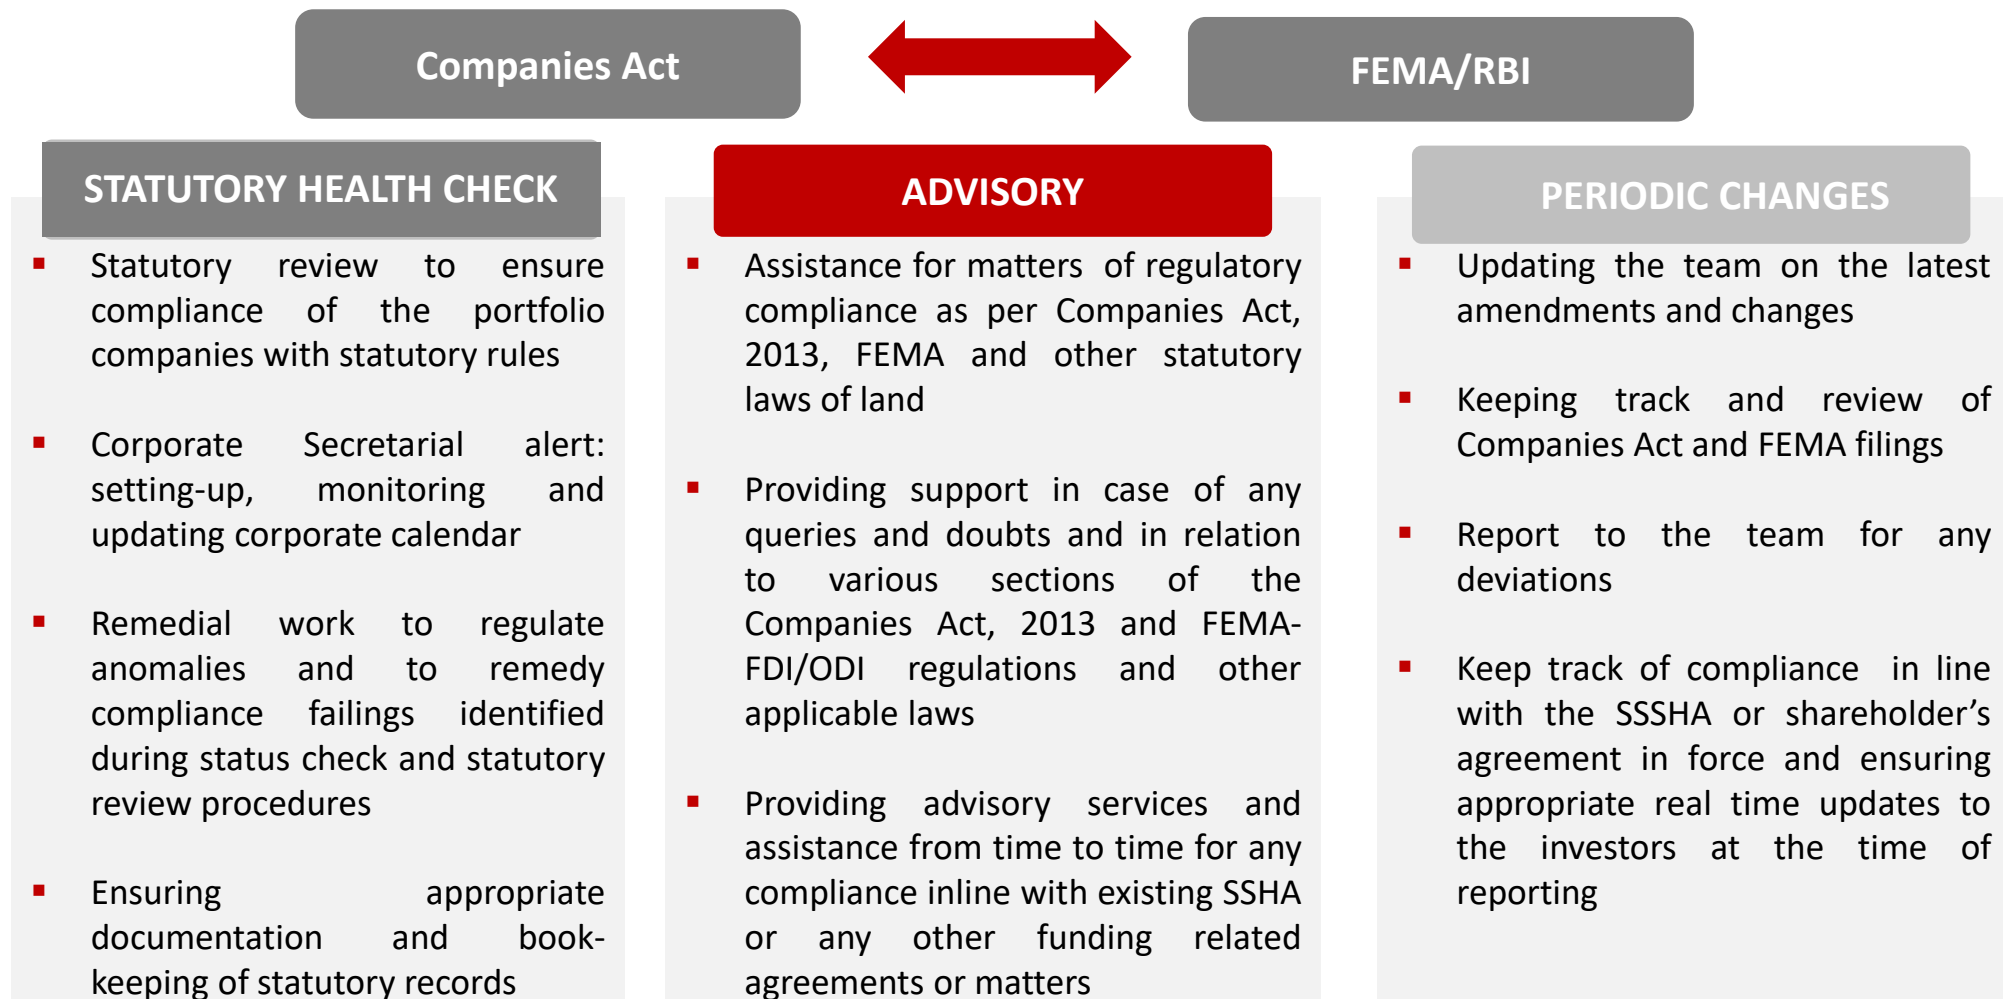

When starting a business, one of the most important choices to make is the structure of the entity, since this determines the ease of functioning of business and the nature and quantum of compliances required.

We bring a structured approach to each and every assignment, with a unique set of objectives, requiring specific priorities, designed to deliver the best results. With a widespread and detailed understanding of operations, we are able to rapidly formulate and execute practical solutions in complex business problems / environment.
