## SEBI

Unsatisfactory compliance forces SEBI to upend and earlier order mandatorily splitting Top Listed entities are now allowed by SEBI to have the same individual as CMD upending an earlier order where the CMD post was mandatorily split.

- ✓ From April 1, 2020, SEBI had mandated that top 500 listed entities must split the role of CMD. The Chairperson of the board was to be a non-executive director and not be related to the Managing Director or the Chief Executive Officer as per the definition of the term "relative" defined under the Companies Act, 2013.
- ✓ Considering rather unsatisfactory level of compliance achieved so far, with respect to this corporate governance reform, various representations received, constraints posed by the prevailing pandemic situation and with a view to enabling the companies to plan for a smoother transition, SEBI Board has amended this provision from a mandatory requirement and instead made it voluntary.
